

October 14-16, 2025 | Sheraton Sand Key Resort

Gravisite is a premier event for the Supermarket and Retail Industry, offering a unique platform to learn, engage, and network. Through dynamic discussions and expert insights, attendees will explore the challenges and opportunities shaping the future of the industry.

2025 Key Topics Include:

eCommerce innovation; Consolidations and mergers, including Kroger and Albertsons; Bankruptcies and empty retail spaces; Demographic shifts and generation breakdowns; Leadership in the evolving retail landscape; AI applications in site selection; Amazon's grocery initiatives; Hispanic and other emerging grocery formats; UK grocery models and their influence on global retail; The state of the economy and its impact on the industry

Knowledge and Insights:

Gravisite features a mix of content tailored to a wide audience. Thought leadership sessions will cater to C-suite and executive attendees, while hands-on workshops will focus on practical skills such as site selection and analysis. Presentations and breakout sessions will be led by industry peers and seasoned professionals.

Networking Opportunities:

Connect with a diverse group of attendees, including retail and grocery chains, shopping center owners, developers, consultants, and municipal leaders.

Strategic Positioning:

Showcase your commitment to staying ahead in the industry and strategically position your team for success in a rapidly evolving marketplace.
